TERMS AND CONDITIONS OF SALE LIMITATIONS OF WARRANTIES AND REMEDIES

Crop yield, purity, and quality are dependent upon many factors beyond the control of the supplier, and Blue River Hybrids, LLC - Organic Seeds (collectively, the "Company") **NO WARRANTY** is made for crop yield, purity and quality. The Company does not warrant that conventional seed produced or sold by the Company is free of recombinant DNA-derived proteins or nucleic acids or seeds ("GMO Materials") and the Company specifically disclaims any warranty, as to freedom from such GMO Materials. However, the Company has taken every effort to prevent contamination of this seed with any unintentional seeds or other plant parts regardless of whether they contain GMO Materials. Subject to the above, the label description, within recognized tolerances or variations, **THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR ANY PARTICULAR PURPOSE WHICH ARE HEREBY EXPRESSLY DISCLAIMED. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND DESCRIPTION ON THE LABEL.** No claim shall be asserted against the Company unless Buyer reports the complaint. All claims must be asserted within the time period of acceptance. **BUYER'S EXCLUSIVE REMEDY FOR ANY CLAIM OR LOSS, INCLUDING WITHOUT LIMITATION, REPAIR, REPLACEMENT, REFUND, RETURN OF THE AMOUNT OF THE PURCHASE PRICE, BREACH OF CONTRACT, TORT, STRICT LIABILITY OR NEGLIGENCE, SHALL BE FOR ANY INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES.** **ASSUMPTION OF RISK.** - Buyer acknowledges and recognizes that, with conventional seeds and recombinant DNA-derived seeds may or will, respectively, contain GMO Material. Buyer expressly assumes the risk that such GMO Materials may be present in the seeds purchased by Buyer, including the risk of such GMO Materials being present by reason of negligence on the part of the Company or some other entity. **Important Notice, USE RESTRICTION** - One or more of the parent lines used to produce this hybrid seed is proprietary to or licensed to Company. Company grants to Buyer, a limited, non-exclusive, non-transferable right to use the product and hereunder for the sole purpose of production of grain or forage for feeding or processing. Buyer agrees that Buyer is not acquiring any right to use and/or store the parent line(s) that may be unintentionally contained herein, or any traits, genes, or cells for any other plant parts for purposes other than production of grain or forage for feeding or processing. Buyer shall not reproduce or transfer said hybrid (but not limited to) tissue culture, genetic (nor any plant part) or their propagation techniques. The parent line(s) may all be protected under trade secret law in the U.S. Buyer further agrees, that under these trade secret rights, the parent line(s) may all be maintained in confidence. Export of the hybrid and parent line(s) is prohibited. Unless accepted on the foregoing terms, buyer shall not be bound for a return of the purchase price.
