P14F10

55VR06-N221

55VR06

(240) 55VR06-N221 (10) P14F10

VARIETY: 55VR06
LOT: P14F10
PRODUCT OF: USA
NET: 50 LBS (22.68 KG)

KIND: ALFALFA
GERM: 81%
HARD SEED: 9%
GERM & HARD SEED: 90%
COATING MATERIAL: 9.00%
DYS1

MATERIAL: 55VR06-N221
BATCH: P14F10
TESTED: FEB 2016

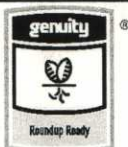

ORIGIN: OR 51%
ID 37%
WA 7%
NV 5%

INOCULANT MONTH TREATED: JAN 2016
INOCULANT EXPIRATION MONTH: DEC 2016

Treated with sinorhizobium meliloti

See Bag/Tag/Invoice for important terms of purchase and limited license. Limited license is granted solely to produce a single crop of grain for feeding or processing with no rights for unauthorized propagation, seed multiplication and exportations is prohibited.

Noxious Weed Seed Per Pound:	NONE	Other Crop Seed:	0.50%
Pure Seed:	90.40%	Inert Matter:	0.08%
		Weed Seed:	0.02%

NOTICE: See important Roundup Ready Product Use information on back of tag.

NITRAGIN. GOLD

PRE-INOCULANT FOR ALFALFA AND CLOVERS

WARNING: This seed has been treated with Mefenoxam. TREATED AT MANUFACTURERS' RECOMMENDED RATES. Do not use treated seed for feed, food or oil purposes. Store away from feeds and foodstuffs. Do not use bag or container for refilling with foodstuff. KEEP OUT OF THE REACH OF CHILDREN.

**HAZARD COMMUNICATION DATA:
TREATED SEED - WARNING**

Safety and Health: Wear long-sleeved shirt, long pants, shoes and socks and chemical resistant gloves when handling treated seeds. Causes substantial but temporary eye irritation. Harmful if swallowed or absorbed through the skin. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove contaminated clothing and wash before reuse. **Environmental Hazards:** This chemical is known to leach through soil into groundwater under certain conditions as a result of agricultural use. Use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Do not contaminate water when disposing of equipment wash water, rinsate or empty bags. Do not apply directly to water or areas where surface water is present or to intertidal areas below mean high water mark. If treated seeds are spilled, immediately clean up as much as possible and incorporate any remaining seed in the soil to prevent feeding by wildlife. Dispose of seed packaging in accordance with local requirements. **Restrictions:** After the seed has been planted do not enter or allow worker entry into treated areas during the restricted-entry interval (REI) of 48 hours. **Exception:** If the seed is treated with the product and the treated seed is soil-injected or soil-incorporated, the Worker Protection Standard, under certain circumstances, allows workers to enter the treated area if there will be no contact with anything that has been treated. For more information, call DuPont Pioneer at 1-800-342-7123.

12/2012

**STORE THIS SEED IN A COOL, DRY PLACE
JUST AS YOU WOULD ANY OTHER KIND OF SEED.**

Based on the decision of the U.S. Department of Agriculture (USDA) on January 27, 2011, **Genuity® Roundup Ready® Alfalfa is for sale and distribution by authorized Seed Companies or their dealers for use in the United States only.** This seed may not be planted outside of the United States, or for the production of sprouts. Growers in the Imperial Valley of California must execute an Imperial Valley Use Agreement prior to purchasing this seed.

Only Monsanto licensed seed companies and their dealers have the authority to offer this seed for sale. Do not open this bag of seed unless you have a valid license number and have read, understood and accepted a valid and current Monsanto Technology/Stewardship Agreement ("MTSA") as this seed may not be planted without a fully accepted MTSA. Your purchase and/or possession of this seed conveys no patent or other intellectual property licenses covering the seed or its uses. If you do not have a valid and current MTSA license number issued from Monsanto's headquarters in St. Louis, Missouri, you must contact Monsanto directly or with your retailer to enter into an MTSA and obtain one before proceeding. By opening this bag and using this seed, you are affirming your obligation to comply with the entire current MTSA, available from your retailer, including the most recent stewardship requirements for this seed.

Grower agrees to lawfully plant Genuity® Roundup Ready® Alfalfa; and if growing Genuity® Roundup Ready® Alfalfa, to direct any product produced from a Genuity® Roundup Ready® Alfalfa seed or crop, including hay and hay products, only to those countries where regulatory approvals have been granted, and to grow and manage Genuity® Roundup Ready® Alfalfa in accordance with the Technology Use Guide.

Monsanto Company is a member of Excellence Through Stewardship® (ETS). Monsanto products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Monsanto's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. This product has been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. Do not export Genuity® Roundup Ready Alfalfa® seed or crop, hay or hay products, to China pending import approval. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Biotechnology Industry Organization. **Always Read and Follow Pesticide Label Directions.**

Roundup Ready® crops contain genes that confer tolerance to glyphosate, the active ingredient in Roundup® brand agricultural herbicides. Roundup® brand agricultural herbicides will kill crops that are not tolerant to glyphosate. Genuity®, Genuity and Design®, Genuity Icons, Roundup® and Roundup Ready®, are trademarks of Monsanto Technology LLC.
