MEMBER OF THE ASSOCIATION OF OFFICIAL SEED CERTIFYING AGENCIES

MICHIGAN CERTIFIED SEED

This tag is void unless printed thereon is an analysis showing data required by Michigan law. The seed in this container is from a lot of seed which the vendor warrants was produced and processed by vendor, and inspected at the vendor's request by the Michigan Crop Improvement Association, the officially designated seed certifying agency of the state of Michigan, and done so in accordance with regulations of the Michigan Department of Agriculture, Regulation No. 623, as amended.

The Michigan Crop Improvement Association makes no warranty of any kind, express or implied, which extends beyond the certification that samples of seed from the seed lot, as submitted by the vendor, met the regulations of the State of Michigan. The producer or vendor whose name appears on the analysis label is solely responsible for the information therein, the product contained therein, and for the proper use of this certification label.
